What's in the box:

- D210 device
- AC Power Adapter
- Receipt Paper Roll
- Battery

Additional item needed:
A small flat head screwdriver (not included)

How to setup your D210:

**Step 1** - Remove the battery cover (located on the bottom of your D210 terminal) using a small flat head screw driver.

**Step 2** - Insert the battery. (The model # and PAX logo imprinted on the top of the battery should be facing up towards the top of the device when inserting the battery).

**Step 3** - Replace battery cover, making sure the screw is secured tightly.

**Step 4** - Charge the battery by connecting the AC power adapter cable to the left hand port on the D-210 and connect the power plug into a standard power outlet.

**Step 5** - Power on the terminal by pressing and holding the On/Off button (Cancel) for two seconds until the LCD backlight appears.

**Step 6** - Insert the thermal paper roll.

Congratulations! The D210 is now ready for use with your Point of Sale. To finish setting up your new device, call Gravity Payments Technical Support at (800) 989-2135.
